# GENTRY SHOW OPENS TO-DAY

Parade Over Principal Streets at 10 o'Clock This Morning.

Crowds of Children at the Grounds Yesterday to See the Pontes and Animals.

Early yesterday morning the Gentry brothers' shows arrived in Washington, and true to announcement, the animal tent was thrown open to the public dur-

ing the afternoon The only hitch in the plans was that the animal reception was extended an hour over time to accommodate the erowds. It had been announced the tents would be open only from 2 until 4 o'clock, Prompted by a desire to disturb Wash-ington only in the slightest degree, the managers decided to move to the lots at Fourteenth and U streets northwest before early risers were astir. At 4 o'clock in the morning the first train was unpaded. By 6:30 the paraphernalia was on

or so of sleep. In the afternoon when the doors were thrown open hordes of children made their way to the grounds. Capt. Doyle was on hand with haif a dozen men. The drove of ponies seemed to appeal espe-cially to the children. There were white ponies, brown ponies, black ponies, and ponies made up of a variety of colors. So well trained were they that they did not notice the youngsters who tugged at

a tiny hoof on the brave urchins. This morning the parade of Mother Goose chariots and other things will pass through the streets of the northwest. At 10 o'clock the parade will leave the grounds at Sixteenth and U streets. It will move in U street to Fourteenth, to New York ivenue, to Fifteenth street, to Pennsylvania avenue, to Sixth street, to Louis-iana avenue, to Seventh street, to F
